2146 Jacksonville Jobstown Road, Jobstown, NJ 08041

## WHAT IS HOME AND SCHOOL? HOW DO I GET INVOLVED?

We are parents who are committed to enhancing our children's experience at Springfield Township School through both academic and extracurricular activities. We create a link of communication between the parent and the administration/faculty/staff for the purpose of activities for the benefit of the students, present educational/safety programs during meetings for the association members, and raise money for the benefit of the students, school, and the Home & School Association. We welcome all parents to join the Springfield Township Home and School Association! Fill out our membership form for the 2020-2021 school year and return it to the school!

'Gather to Give' is our monthly event we put together that helps support local establishments. In return for our support, these places donate to our school. Whether it is going out to a restaurant for dinner or getting mums for your front porch, you will be helping our school raise funds!

The more we gather the more they give!
